Tree Loss

1. Which two scenes show a tree already damaged or lost?
2. Where do street trees make a trip better for you in Rajshahi?
3. Should a project change its route or replace cut trees later? Why?
4. Why might a road or pipe project remove a mature tree?
5. If saplings replace it, what must happen for them to survive?
6. You have 250,000 BDT and 30 days. What one tree-protection pilot would your grant test?
