

Traffic Jam

**Rushed Delivery, Mid-Road Stop,
Narrow Crossing, Crowded Curb,
Handcart Loading, Blocked Footpath**

Traffic Jam

1. Which two scenes would slow a person on foot most?
2. When has a crowded Rajshahi street delayed you? What happened?
3. Should the curb serve passengers or shop deliveries first? Why?
4. Why might a driver stop in the lane even when it delays others?
5. If loading is banned at busy times, who might lose income?
6. You have 300,000 BDT and 30 days. What one street-space change would your grant test?
