Street Litter

1. Which two scenes could spread litter fastest?
2. Where do you notice litter on a route you use in Rajshahi?
3. Should a stall worker or a shopper deal with a used cup? Why?
4. Why might a vendor sweep waste into the gutter?
5. If extra bins appear, who will empty them and when?
6. You have 100,000 BDT and 30 days. What one waste-handling change would your grant test?
