

Riverfront Waste

**Uneven Steps, Windblown Plastic,
Food Cart Waste, Cleanup After Dark,
Leaving Bottles, Full Riverside Bin**

Riverfront Waste

1. Which two scenes could send waste into the river?
2. What have you noticed about rubbish at a public gathering place in Rajshahi?
3. Should visitors carry waste away or should vendors collect it? Why?
4. Why might a busy food cart struggle to collect every used plate?
5. If more bins are placed by the water, what maintenance problem follows?
6. You have 250,000 BDT and 30 days. What one riverfront cleanup system would your grant test?
