Few Sockets, Video Call Noise**

Workspace Limits

1. Which two scenes would make an online class hardest?
2. Where in Rajshahi can you usually work or study well?
3. Is reliable internet or a quiet desk more urgent? Why?
4. Why might a café set a minimum purchase for someone using a table?
5. If a free study room opens, how could crowding change it?
6. You have 120,000 BDT and 30 days. What one shared-workspace fix would your grant test?
