

Summer Heat

**Skipping Water, Midday Queue,
Bare Walkway, Hot Shelter,
Fan Left Off, Putting Up Shade**

Summer Heat

1. Which two scenes give people the least relief from heat?
2. What helps you stay comfortable on a hot day in Rajshahi?
3. Should shade go first to walkers or people waiting in queues? Why?
4. Why might a worker continue outside during the hottest hour?
5. If a new shelter blocks shop entrances, who is affected?
6. You have 200,000 BDT and 30 days. What one heat-relief change would your grant test?
