

# Overpass Delay

**Crossing Work Zone, Closed Road,  
Narrow Detour, Muddy Approach,  
Confusing Junction, Wrong Turn**

# Overpass Delay

1. Which two scenes make the detour hardest to follow?
2. How has roadwork changed a trip you make in Rajshahi?
3. Should the first fix protect walkers or guide drivers? Why?
4. Why can a delayed work site create costs for nearby shops?
5. If one detour becomes easier, where might traffic build up?
6. You have 300,000 BDT and 30 days. What one safe-detour pilot would your grant test?
