

Broken Footpaths

**Shop Display, No Ramp,
Broken Slab, Open Repair,
Parked Motorcycle, High Curb**

Broken Footpaths

1. Which two scenes would stop someone using wheels?
2. Where do you find walking easy or hard in Rajshahi?
3. Should repairs target broken slabs or blocked space first? Why?
4. Why might a shop use part of the footpath?
5. If parking is removed from the path, where might it move?
6. You have 150,000 BDT and 30 days. What one footpath change would your grant test?
