

Water Leaks

**Storing Water, Reporting Again,
Repair Delay, Buried Pipe,
Weak Tap, Street Leak**

Water Leaks

1. Which two scenes show water being lost or unavailable?
2. Have you seen a leaking pipe or weak water supply in Rajshahi?
3. Should a team fix visible leaks or investigate weak taps first? Why?
4. Why can a leak beneath a paved road take time to repair?
5. If repairs dig up a street, who faces a new problem?
6. You have 200,000 BDT and 30 days. What one leak-reporting pilot would your grant test?
