

Street Noise

**Loud Speaker, Close Traffic,
Late Unloading, Echoing Lane,
Repeated Honking, Mixed Uses**

Street Noise

1. Which two scenes could interrupt a conversation?
2. When does street noise affect something you do in Rajshahi?
3. Should the first effort target horns or loud speakers? Why?
4. Why might a driver honk when traffic cannot move?
5. If quiet hours limit deliveries, who must work differently?
6. You have 100,000 BDT and 30 days. What one noise-reduction change would your grant test?
