Waste Pickup

1. Which two scenes could leave waste outside all day?
2. How is rubbish collected where you spend time in Rajshahi?
3. Should pickup times change or should collection points move? Why?
4. Why might a shop put waste out before the cart comes?
5. If pickup comes later, who must store waste longer?
6. You have 250,000 BDT and 30 days. What one pickup-system change would your grant test?
