

Mango Prices

**Hot Loading, Price Cut,
Few Buyers, Rushed Harvest,
Limited Storage, Piled Crates**

Mango Prices

1. Which two scenes make it hard to wait for a better price?
2. What have you noticed about mango prices in Rajshahi markets?
3. Should growers sell quickly or pay to store fruit? Why?
4. Why might prices fall when the harvest is strong?
5. If storage raises prices later, who pays more for mangoes?
6. You have 500,000 BDT and 30 days. What one mango-market pilot would your grant test?
